Previous Contact with a Boat Steward:

The WNY PRISM Watercraft Inspection Steward Program has 12 stewards stationed at 11 different launches throughout western New York. The stewards perform voluntary watercraft inspections to remove visible aquatic plants and animals from all types of watercraft. They work Thursday-Sunday from Memorial Day until Labor Day.

Watercraft Inspected per Launch:

Total Invasive Species Removed:
27

- Eurasian Watermilfoil: 12
- Curly Leaf Pondweed: 8
- Zebra Mussel: 7
