

Hemlock Woolly Adelgid Surveys 2023

Adopt a Park, Trail or Stream to Survey!

Choose from any of these survey locations, or if you have a favorite location that you know has hemlocks, please add it along with your contact information on the second page. Please note that more than one person can adopt each location - if someone already signed up, just add the location and your contact information to the second page! WNY PRISM will email you more information, such as park maps, for the location you have adopted.
