

WNY PRISM

Spring Partner Meeting

Thursday, April 18, 2024
9:30 AM - Noon

Woodlawn Beach State Park
S-3580 Lakeshore Rd, Blasdell, NY 14219

On the Program:

WNY PRISM Updates

Andrea Locke, Coordinator, WNY PRISM.

Hear about updates, programs and priorities for WNY PRISM.

Partner Updates

Hear about what partners have been working on and have planned.

AmeriCorps Program Overview

Dan Kresse, Director, The Service Collaborative of WNY, Inc.

This presentation will provide an overview of Environment Justice Corps, an AmeriCorps State and National program, and how we can work together. The Program engages individuals in a variety of environmental stewardship projects across Buffalo, with a focus on workforce development.

Spotted Lanternfly Management

Thom Allgaier, Invasive Species Coordinator, NYS Department of Agriculture & Markets.

Spotted lanternfly was first discovered in Pennsylvania in 2014, found in NYS in 2020, and more recently was found in Erie County. Learn about management actions that have taken place across the state and here in western New York, and how we can be prepared should more infestations be found.
