

WNY PRISM

Fall Partner Meeting

Hosted by the Buffalo Zoo - Grounds & Horticultural Department

Thursday, October 17, 2024
9:30 AM - Noon

On the Program:

Introduction to the Buffalo Zoo

Nathan Huff, Curator of Horticulture & Grounds, Buffalo Zoo

Partner Updates

Partners have the opportunity to share what they've been working on and more.

Ash Tree Injections at Reinstein Woods Nature Preserve

Nate Morey, Forester, NYSDEC (& Theresa Draves, Forester, NYSDEC)

A selection of Ash trees have been treated on the Reinstein Woods property for over 10 years now. Hear about the history of treatments, what has changed, and the reasons behind this effort. Will go over successes, failures, and lessons learned along the way.

WNY PRISM Aquatic Invasive Species Program Overview

Nick Farese, Aquatic Program Manager, WNY PRISM

WNY PRISM aims to curb aquatic invasive species (AIS) populations in New York's eight westernmost counties. Here we provide an overview of our AIS program, some outcomes from 2024 and opportunities for collaboration moving forward.

WNY PRISM Field Season Updates & Looking Ahead

Andrea Locke, Coordinator, WNY PRISM

Registration is required* by Tuesday, October 15, 2024.

For more information & to register, use the QR code or the link below:
